Our impact in California starts with direct engagement in local communities:

Morgan Stanley Capital Creates Critical Infrastructure

In 2017, Morgan Stanley helped the state of California raise $2.8 billion to fund projects including those for clean water, clean air, disaster preparedness, school facilities, public safety, housing, and emergency shelters. These funds help create a healthier environment for the people of California as well as increasing emergency preparedness. Learn more

JPMorgan Supports San Diego Small Businesses & Jobs

As part of its AdvancingCities challenge, JPMorgan awarded a $3 million grant to Advancing San Diego, a public-private program designed to connect San Diego residents to high-demand jobs, while providing small businesses access to diverse talent pipelines that are reflective of the city’s growing Hispanic population.
