Our impact in Colorado starts with direct engagement in local communities:

Bank of America Supports Colorado Veterans

In 2018, Bank of America announced a $20 million Veteran Entrepreneur Lending Program to connect U.S. military veteran business owners with affordable capital to help grow their business via programs in seven states, including the Colorado Enterprise Fund. Prior to receiving a loan, borrowers participate in a two-month training program to help them stay on a path of success. [Learn more](#)

Morgan Stanley Provides Funding for the Colorado University System

Morgan Stanley has partnered with public entities to raise funds through capital markets for decades. In 2016, Morgan Stanley helped the Colorado University System raise $70 million to fund projects such as the construction and equipping of the Michael Smith Natural Resources Building, Richardson Design Center, Institute for Biological and Translational Therapies, and a new chemistry building on the main campus.
