Our impact in Hawaii starts with direct engagement in local communities:

**BNY Mellon Provides Retirement Services to State of Hawaii Government Workers**

In 2019 the Employees’ Retirement System of the State of Hawaii, which is responsible for the safekeeping of over $16 billion and provides retirement, disability, and other benefits to over 141,000 people in the state, re-contracted BNY Mellon. BNY Mellon will provide services including global custody, accounting, securities lending, foreign exchange, cash management, and Global Risk Solutions services. [Learn more](#)

**Citi Finances Affordable Housing in Hawaii**

Citi provided portfolio financing of $131 million to finance the acquisition and rehab of 995 affordable housing units on three islands. Once renovations are complete, the affordability of the five developments will be preserved and the residents will have access to onsite education and counseling services to help them maintain financial stability.
